Marp Header

```
title: Demo
description: Demo PWr Marp Template
class: invert                                  # Dark theme all slides (remove to use light theme)
_class:                                        # First slide
  - invert                                     # Dark theme for title slide
  - lead                                       # Title slide style
footer: Presentation Title | Author Name       # Slide footer
_footer: ""                                     # No footer on title slide
paginate: true                                 # Page numbers
_paginate: false                               # No page numbers on title slide
marp: true                                     # Nice preview for the VS Code extension
```
